

2025
ERIE BENEDICTINES

GLINODO GOAT FEST

SATURDAY, AUGUST 23, 1:00-4:00 PM

The Erie Benedictines' Glinodo Goat Fest brings together families, friends and neighbors for outdoor fun and education in a unique way to care for our environment. The Benedictine Sisters rent a herd of goats who spend a few weeks on our Glinodo property so that they can help clear the woods of invasive species without using pesticides. Goat Fest allows the Benedictine Sisters to engage with and educate the public, increase knowledge of natural landscaping, maintain the walking trails at Glinodo, in Harborcreek, PA and invite others to share the lakefront beauty.
